WADE'S
PLUMBING

An illustration of a woman with dark curly hair, wearing a white short-sleeved top and a green skirt with large white floral patterns, standing on a beach. She is holding a smartphone and showing the screen to a man. The man is sitting in a wooden beach chair with a red and white striped cushion. He is wearing a dark blue polo shirt, grey shorts, sunglasses, and brown work boots with grey socks. He is holding a brown beer bottle. In the background, there is a beach, the ocean, a city skyline with a prominent tower (resembling the Sky Tower), and a sunset with a large orange sun and birds in the sky. A speech bubble from the woman contains the text: "Your 'job tracker bot' quoted a client \$4 labour, \$18,000 materials."
